

Join The Acolyte/Bell Ringing Team!

Acolytes:

- Children and youth who are in third-eighth grade are invited to be members of the team.
- There will be a brief (10 minute) heads-up/training meeting after the 10 am service as requested by a new acolyte.
- At that time, the greeter/usher will quickly show the acolyte where to find the robes, candles, taper supplies and how to light the candles.
- Acolytes are required to show up 15 minutes prior to the 10am service and to check in with the greeter/usher who will direct and light the taper for use in lighting the candles. (Remember, the greeter/usher has a job to do prior to the service so arriving 15 minutes early to check in is a courtesy.)
- Children who are in Children's Church will be brought to the service by the greeter/usher prior to the end of worship in order to extinguish the candles.

Bell Ringers:

- Children of all ages are welcome to be bell ringers.
- Parents will need to take responsibility for taking their children to the bell tower and ringing the bell by pulling the cord twice following the worship service.
- No children should be in the bell tower without supervision.
- Questions can be directed to the greeter/usher.

Please fill out this form to put your child/ren on a list of acolytes/bell ringers. Besides signing up online to participate in a Sunday service, there will be other opportunities that we may inquire about throughout the year.

Sign up is online under Worship Volunteers. www.umcofeaglevalley.org

Parents will complete the sign up process with their own phone and email. Reminders will be sent automatically. If no one has signed up and your child would like to fulfill this position, please let the greeter/usher know when you arrive. We encourage you to sign up and honor this important part of our worship service. Thank you!
