

Food Bank of the Rockies has had an incredible year with our donation partners. We were able to provide more than 48 million meals this year. We could not have provided as much without your continued dedication and participation in the Partner Agency Grocery Rescue Program.

On behalf of the hungry families struggling with hunger throughout our Colorado and Wyoming Service territories, I want to express my gratitude for all that you do to Fight Hunger and Feed Hope through your donation program.

Please see the enclosed Recognition Award that shows the amount of meals your Agency rescued through the Grocery Rescue Program during 2017.

We look forward to your continued partnership in 2018.

Sincerely,

Suzi Casillas
